

Genevieve

Two years old today, but
an older wisdom lies
unmistakably
behind her deep blue eyes.

Her huge vocabulary
surprises and astounds.
She speaks in five word sentences,
and learns by leaps and bounds.

She likes to snuggle and read books
and eat PB & J.
She's always Princess Ariel
when princess games are played.

She loves to laugh and make faces.
Bunny's her favorite toy.
Orange is her favorite color
and puppies bring her joy.

At times she will assert herself
and make her sister mad,
but she always shares her Bunny
with Maeve when she is sad.

Genevieve, petite and sweet,
a charmer from the start.
Of course this little gift from God
Has captured every heart!

With Love,
Debbie
